

1. Unique identification code of the product-type:  
ECO ACOUSTIC 55 / 3.5mm 0.55mm

2. Serial number allowing identification of the construction product:  
OFX-055

3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:  
Polyvinyl chloride floor covering for indoor use in compliance with the harmonized standard EN14041:2004.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11(5):  
ONEFLOR-EUROPE BVBA, Wittestraat 10, B-8501 Heule (Kortrijk), Belgium

5. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:  
System 3: Reaction to fire  
Reaction to fire: C.R.E.T., notified body N° 2401, carried out testing and provided test report Nr. 2025/202-1 (FR), 2025/202-2 (EN) and 2025/202-3 (DE) according to system 3.

6. Declared performance:

| Essential characteristics        | Performance    |                                             | Harmonised technical specification |
|----------------------------------|----------------|---------------------------------------------|------------------------------------|
| A - Reaction to fire             | Bfl-S1         | glued on an A1fl and/or A2fl substrate      | EN<br>14041:2004<br>AC:2006        |
|                                  | NPD            | loose-laid on an A1fl and/or A2fl substrate |                                    |
|                                  | Bfl-S1         | glued on a wooden subfloor                  |                                    |
|                                  | NPD            | loose-laid on a wooden subfloor             |                                    |
| B - Content of pentachlorophenol | <5ppm          |                                             |                                    |
| C - Formaldehyde emission        | E1             |                                             |                                    |
| D - Slipperiness                 | DS             |                                             |                                    |
| E - Antistatic performance       | ≤ 2 kV         |                                             |                                    |
| F - Electrical resistance        | NPD            |                                             |                                    |
| G - Thermal resistance           | Ca. 0.03m² K/W |                                             |                                    |

The performance of the product identified above is in conformity with the declared performances.  
According to the regulation (EU) n°305 / 2011, the present declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
